Bid Identification No: **MOTI/REP/ICB/GRATIS/WE/2024/03**

Date: **31st October, 2024**

PROCUREMENT OF METAL WORKING WORKSHOP EQUIPMENT FOR GRATIS HEAD OFFICE - (SUPPLY & INSTALL)

1. The Government of the Republic of Ghana has received funds for the purchase of these goods. The use of any IFAD financing shall be subject to IFAD's approval, pursuant to the terms and conditions of the financing agreement, as well as IFAD's rules, policies and procedures. IFAD and its officials, agents and employees shall be held harmless from and a loan from the International Fund for Agricultural Development (IFAD) towards the cost of *Rural Enterprises Programme (REP)* and intends to apply part of the proceeds of this loan through pre-financed against all suits, proceedings, claims, demands, losses and liability of any kind or nature brought by any party in connection with *Rural Enterprises Programme (REP)*.
2. The Rural Enterprises Programme (REP) which is the third phase of the Rural Enterprises Project Phases One and Two (REP I & II) represent an important national vehicle for rural micro and small enterprises (MSE) development. REP is intended to support the Government of Ghana in converting the experiences of the REP I & II in rural enterprises development into a nationwide programme. REP is part of efforts by the Ghana of Government to reduce poverty, create wealth and improve living conditions in the rural areas.

The overall objective of the Rural Enterprises Programme (REP) is to contribute to improved livelihoods and incomes of rural poor micro and small entrepreneurs. The specific objective is to achieve increased number of rural MSEs that generate profit, growth and employment opportunities.

In order to develop the full potential of rural MSEs in Ghana and solve key bottlenecks, a district-based model has been piloted by REP since 1995. The model is based on three building blocks:

- a. access to business development services through a network of 161 Business Advisory Centres (BACs) and 67 Business Resource Centres (BRCs) at the district level to provide a more sustainable MSE support institution;
 - b. technology transfer through technical skills training and demonstrations, mainly delivered by 36 Technology Solution Centres (TSCs) at the district level. In addition 5 Common User Facilities (CUFs) have been established along selected value chains as part of the 1D1F initiative.
 - c. access of MSEs to rural finance through linkages with Participating Financial Institutions (PFIs).
3. As part of the institutional support to GRATIS, Rural Enterprises Programme is providing support towards the revamping of its head office. The purpose is to enhance the capacity of GRATIS to enable the Institution to effectively play its role under REP and also to contribute to restoring GRATIS as an engineering hub for sustaining the network with field research, innovation, product development, technology transfer and relevant training in the manufacturing, maintenance and repair of agro processing equipment, as well as production

of tools and spare parts towards the overall development of the MSME sector in Ghana.

4. GRATIS Foundation is an agency of the Ministry of Trade and Industry of Ghana with the mandate to promote industrialization in Ghana. The Head office of GRATIS is located at Tema in the Greater Accra Region. GRATIS has eight (8) equipped regional training and manufacturing branches located at Tamale, Bolgatanga, Wa, Ho, Sunyani, Cape Coast, Takoradi and Koforidua as well as forty-one (41) Technology Solution Centres across the Country.
5. The purchaser now invites sealed bids from eligible entities (“bidders”) for the provision of some **Workshop Equipment** to support the above agenda to empower local businesses to enhance their productivity, precision, and competitiveness in the market and also GRATIS in the production of precision components and parts required by the various sectors of the economy. More details on these goods and related services are provided in the schedule of requirements in the bidding document.
6. This IFB is open to all eligible bidders who wish to respond. Subject to the restrictions noted in the bidding document, eligible entities may associate with other bidders to enhance their capacity to successfully deliver the goods and related services.
7. The goods and related services, and the contract expected to be awarded, are divided into the following lots:
